ORDINANCE NO. 1210

AN ORDINANCE establishing the basis for charging for data processing services performed by the Office of Systems Services, setting forth the purposes thereof, and amending Resolution No. 34916.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Section 8., Resolution 34916, establishing charges for data processing services by the Office of System Services is repealed.

SECTION 2. There is added to Resolution 34916 a new section to read as follows:

NEW SECTION SECTION 8. (a) Due to the nature of the data processing computing equipment, the cost of computing services will vary according to the nature of work to be performed. Billings will be based on the total departmental costs of resources the job requires. Each request for service will be evaluated on the equipment and manpower resources required

(b) The Office of Systems Services shall charge users for data processing services using rates which reflect average costs for the type of service rendered. These rates shall be developed in accordance with formulas developed by the Manager and staff of the department and approved by the County Administrative Officer. Rates charged to other than County departments will be on a basis of direct costs plus an overhead rate which will be established by the Office of Budgets & Accounts.

(c) The County Executive or his designee shall keep the Chairman of the Council informed of the formulas being used to establish billing rates and any change in them or in the billing rates themselves.

1 SECTION 3. This ordinance shall not apply to voluntary
2 employee payroll deductions.

3 PASSED by the Council at a regular meeting thereof on
4 the 24th day of April, 1972.
